The sudden prominence of the Crown Prince, these papers think, means that some decision is pending that will afect even the Kaiser's positions nd power. This seems to be borns out by a communication from the Wireless Prese that an official communication has been issued in Berlin saying that he Kaiser believed the political reforms demanded by the Reichstag were of such a nature as to concern not only

himself but his heir. Therefore the Grown Prince was summoned to Berlin.

The Kaiser's manifesto was in the form of a rescript addressed to the Chancellor, stating the terms under which the bill to be presented to the prussian Diet must be drawn. The manifesto, which is a complement to manifesto, which is a complement to the Imperial Easter message, merely rule could not be waived. Many of restores to that message the phrase the districts, and this is one of the

deavored to have this principle, which provides some counter balance to the big Socialist vote, extended to behind in the Federal draft and delay the Government in the work of get-

while granting it in principle.

The report that Erzberger was speaking more or less for the Austrian Emperor is denied in a semiofficial despatch from Vienna, which declares that the statement that the Bodialist leader recently had an audience with Charles is a pure invention.

NAMED ON LOCAL **EXEMPTION BOARDS**

Adjutant General Sends Attorney Here to Speed Up Draft Work.

A vigorous effort is now being made to get the work of the local draft exemption boards started, and inst evening, on the arrival here of a representative of the Adjutant General, a Count von Reventiow, the great ex- central clearing house for information ponent of Junkerism, writes that the and advice was established with the present crisis means that England's Mayor's Defense Committee at No.

There is considerable belief that Aus- their preliminary work done and other tria's frankly expressed desire for boards began reporting that they peace is responsible for the present would be ready within a measurable time. It is for the special purpose of Dutch and Swiss papers say Herr straightening out the muddle in some Zimmermann, who ludicrously offered districts that Roscoe Conklin, a Depsome American States to Mexico, may uty Attorney General of the State as-

Mr. Conklin is to co-operate with Philip J. McCook, Director of the Mayor's Committee. One of the things to engage his attention is a statement by a Federal official that a superficial investigation showed that practically every physician appointed to a local board in the districts in Manhattan south of Fourteenth Street was an enrolled member of the Socialist

Mr. McCook acknowledged that this was true and that the Socialista seemed to be pacifists; but he pointed out that the lower part of the city was full of pacifists and that under

The Conservatives had vainly enthings causing delay. It is one of the things which brought forth this state-

to the big Socialist vote, extended to embrace property as qualification for an additional vote, but the idea was finally dropped.

The Kaiser's insertion of the word "equal" in the fermula presenting the naw franchise will operate to prevent the Government and the hitherto dominant parties from jockeying with the new Suffrage Bill, defeating or limiting the reform in practice, while granting it in principle.
